Meet the Team

Amanda Appi

CEO

Immaculate Investigations, LLC

Myrtle Beach, SC

As a combat veteran of Operation Iraqi Freedom and former police officer, Amanda made the switch to the private sector where she went on to earn a bachelor's degree in business and experience as a private investigator/process server. As a single mother of two beautiful children, she also became adamant about creating the opportunity to work on her own terms in order to fulfill her obligations to her children. It was her passion for these two factors as well as the desire to put her unique skills and knowledge to use in the civilian world that led to the birth of her first firm, Apex Detective Agency LLC in 2017. Through the grace of God, sheer determination, and the same "never give up" attitude she maintains in her business today, she created a company that gets the results clients need. As Apex Detective Agency matured, Amanda decided to take the business from its childhood years to its adulthood. A rebranding was done and the pink Apex shark logo retired. Immaculate Investigations LLC was born in 2023. In addition to being a private investigator for over 7 years, and a business owner in the industry for over 6, Amanda was previously featured in the magazine, [SC Voyager](#): amanda believes that the best way to build and keep business is by forging strong relationships and alliances. She is active in many networking groups and sponsors monthly events for local business owners and those that work in the legal industry.
